A Historic Milestone in Kerala Legislative Assembly

Marking a historic milestone in Indian parliamentary history, Sabha TV, *the nation's first-ever dedicated digital channel for a state legislative assembly*, was officially inaugurated on August 17, 2020, by the Honorable Lok Sabha Speaker, Om Birla, via video conferencing. Launched in the presence of Speaker P. Sreeramakrishnan and Chief Minister Pinarayi Vijayan, it holds the distinction of being the first dedicated television channel for a state legislative assembly in India.

Key Objective: *"To nurture democracy by reinforcing the values of good governance through informed and enlightened citizens."*

Our Key Programmes

Sabha TV offers a rich array of programmes designed to inform, engage, and enlighten citizens about the legislative process and broader societal issues. Discover our diverse programmes below.

Sabha TV live

Our flagship interview series features eminent personalities. Discussions cover democracy, social issues, and sustainable development, offering deep insights into Kerala's future.

Niyamasabhayil Innu

A daily update segment providing a summary of the day's proceedings, debates, and major announcements made within the Assembly.

Info Card

A specialized, fast-paced segment distilling complex legislative data into digestible "fact cards." This graphic-rich program ensures high-impact communication of key information.

Sabha TV Exclusive

This channel offers behind-the-scenes footage, special interviews, and high-production documentaries.

Sabha TV Dialogues

Interactive talk shows bridging lawmakers and citizens. These discussions focus on constitutional values, citizen rights, and major socio-legal shifts in an accessible format.

Perspectiva

A premier intellectual flagship program produced by Sabha TV. Designed as a deep-dive into the world of ideas, culture, and science.

Kerala Dialogue

Interactive talk shows bridging lawmakers and citizens. These discussions focus on constitutional values, citizen rights, and major socio-legal shifts in an accessible format.

Nattuvazhy

A premier intellectual flagship program produced by Sabha TV. Designed as a deep-dive into the world of ideas, culture, and science.

Central Hall

Our flagship interview series features eminent personalities. Discussions cover democracy, social issues, and sustainable development, offering deep insights into Kerala's future.

Sabhayum Samoohavum

This program simplifies complex legislative processes. It explains how the business of the House operates and how crucial decisions impact society, making governance accessible to all.

Sabha Talk

Sabha Talk is a prestigious flagship program on Sabha TV that bridges the gap between the legislature and the public. It fosters a robust democratic culture by sharing scholarly ideas, legislative insights, and constitutional values.

Documentaries and Events

Sabha TV offers an extensive archive of high-quality documentaries and live event coverage. These productions serve as a visual chronicle of Kerala's rich cultural tapestry and its storied legislative history, providing viewers with a profound look into the state's democratic evolution and heritage.

Sabha TV archive

The Sabha TV Digital Archive serves as the authoritative, permanent repository of Kerala's legislative legacy, transforming decades of floor proceedings into an accessible, searchable, and educational resource for the public. More than just a video library, this portal functions as a "Digital Assembly" where every speech, debate, and legislative milestone is preserved with high-fidelity video and precise metadata.
